

Notice to Customers Making Payment by Check

Effective April 9, 2013

The United States Court of Appeals for the Eighth Circuit will begin processing checks as electronic funds transfers. When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer from your account, or to process the payment as a check transaction.

When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution. We will keep your check for three to 14 business days, after which time your check will be shredded.

***Privacy Act* – A Privacy Act Statement required by 5 U.S.C. § 552a(e)(3) stating our authority for soliciting and collecting the information from your check, and explaining the purposes and routine uses which will be made of your check information, is available from the U.
