PER CURIAM.

Oladipo Olusegun Smith appeals his drug-related convictions. Smith contends the evidence is insufficient to support the jury's verdicts. Contrary to Smith's view, the record contains substantial evidence on which a jury could have found Smith guilty of all charges. We also conclude that an extended discussion would serve no useful purpose in this fact-intensive case. Having found Smith's contention to be without merit, we affirm his convictions. See 8th Cir. R. 47B.
