Submitted: May 2, 2000

Filed: May 5, 2000

Before MORRIS SHEPPARD ARNOLD, FAGG, and MURPHY, Circuit Judges.

PER CURIAM.

Pastor Gonzalez appeals the district court's imposition of a 188-month sentence after the court vacated Gonzalez's original 262-month sentence. Counsel moved to withdraw and filed a brief under Anders v. California, 386 U.S. 738 (1967). Having reviewed the record, we find no nonfrivolous issues, see Penson v. Ohio, 488 U.S. 75, 80 (1988); Anders, 386 U.S. at 744; however, we note a clerical error on page four of the district court's amended judgment in the sentence under the heading "Additional Standard Conditions of Supervision." This sentence should be revised to read: "If

deported from the United States, the defendant shall not return to the United States without authorization."

Accordingly, we affirm and grant counsel's motion to withdraw.

A true copy.

Attest:

CLERK, U.S. COURT OF APPEALS, EIGHTH CIRCUIT.
