Appeal from the United States
District Court for the Eastern
District of Missouri.

[UNPUBLISHED]

Submitted: June 22, 2000

Filed: June 29, 2000

Before WOLLMAN, Chief Judge, FAGG and BOWMAN, Circuit Judges.

PER CURIAM.

Terry Lynn Harris appeals the district court's denial of his 42 U.S.C. § 1983 action, alleging various correctional officers violated his Eighth Amendment rights by

failing timely to administer medication and by using unreasonable force constituting cruel and unusual punishment. Having carefully reviewed the record and the parties' briefs, we conclude extended discussion is not required and affirm for the reasons stated in the district court's thorough opinion. See 8th Cir. R. 47B.
