Before WOLLMAN, FAGG, and MORRIS SHEPPARD ARNOLD, Circuit Judges.

PER CURIAM.

Jose Canas challenges the district court's dismissal of some claims, and adverse grant of summary judgment as to others, in Canas's 42 U.S.C. § 1983 action against various Iowa officials. After carefully reviewing the record, we conclude the district court's rulings were proper. Accordingly, we affirm. See 8th Cir. R. 47B.

A true copy.

Attest:

CLERK, U.S. COURT OF APPEALS, EIGHTH CIRCUIT.
