Appellee,	*	Appeal from the United States
	*	District Court for the Western
v.	*	District of Missouri.
	*	
Robert Robinson,	*	[UNPUBLISHED]
	*	
Appellant.	*	

Submitted: April 8, 2003

Filed: April 21, 2003

Before McMILLIAN, FAGG, and HANSEN, Circuit Judges.

PER CURIAM.

On appeal, Robert Robinson contends the district court's* finding that Robinson shall be committed for mental health treatment under 18 U.S.C. § 4245 is clearly erroneous. Robinson's counsel has filed a brief in support of Robinson's contention and requests permission to withdraw under Anders v. California, 386 U.S. 738 (1967). Although Robinson was granted permission to file a pro se supplemental brief, he has not done so.

*The Honorable Dean Whipple, Chief Judge, United States District Court for the Western District of Missouri.

After review of counsel's Anders brief along with our independent review of the record in accordance with Penson v. Ohio, 488 U.S. 75 (1988), we conclude that there are no nonfrivolous issues for appeal. We thus affirm the judgment of the district court, deny as moot Robinson's pro se motions for discovery and for transcripts at government expense, and grant counsel's motion to withdraw.
