Appeal from the United States
District Court for the
Western District of Missouri.

[UNPUBLISHED]

Submitted: March 5, 2004

Filed: March 24, 2004

Before **BYE**, **McMILLIAN**, and **RILEY**, Circuit Judges.

PER CURIAM.

Paul Childress appeals the district court's¹ pre-service dismissal of his civil rights action for lack of personal jurisdiction over defendants. Upon de novo review, we conclude Childress failed to show that the exercise of personal jurisdiction would comport with due process. See Stanton v. St. Jude Med., Inc., 340 F.3d 690, 693-94 (8th Cir. 2003) (standard of review; factors to consider in due process determination);

¹The Honorable Richard E. Dorr, United States District Judge for the Western District of Missouri.

Stevens v. Redwing, 146 F.3d 538, 543 (8th Cir. 1998) (plaintiff must make prima facie showing of personal jurisdiction).

Accordingly, we affirm.
