Submitted: July 19, 2006
Filed: July 31, 2006

Before SMITH, MAGILL, and BENTON, Circuit Judges.

PER CURIAM.

Radu Rasidescu appeals the district court's¹ dismissal of his complaint for lack of subject matter jurisdiction. Reviewing de novo, *see Mosby v. Ligon*, 418 F.3d 927,

¹The Honorable John R. Tunheim, United States District Judge for the District of Minnesota, adopting the report and recommendations of the Honorable Franklin L. Noel, United States Magistrate Judge for the District of Minnesota.

931 (8th Cir. 2005), we conclude that dismissal was proper, because Rasidescu alleged insufficient facts to establish diversity or federal-question jurisdiction. *See* 28 U.S.C. §§ 1331, 1332. Accordingly, we affirm. *See* 8th Cir. R. 47B.
