Appeal from the United States
District Court for the
District of Nebraska.

[UNPUBLISHED]

Submitted: October 18, 2006

Filed: October 24, 2006

Before SMITH, MAGILL, and BENTON, Circuit Judges.

PER CURIAM.

Ali Abdul-Azez Sofyan appeals the sentence the district court¹ imposed after granting the government's Federal Rule of Criminal Procedure 35(b) motion to reduce Sofyan's sentence for his substantial assistance. On appeal, Sofyan's counsel has moved to withdraw and has filed a brief under Anders v. California, 386 U.S. 738 (1967), in which counsel makes reference to the extent of the reduction in Sofyan's sentence. We have no jurisdiction, however, to review the extent of the district court's Rule 35(b) sentencing departure, see United States v. Coppedge, 135 F.3d 598, 599

¹The Honorable Richard G. Kopf, United States District Judge for the District of Nebraska.

(8th Cir. 1998) (per curiam), and upon our independent review under Penson v. Ohio, 488 U.S. 75, 80 (1988), we find no nonfrivolous issues. Accordingly, we dismiss this appeal, and we grant defense counsel's motion to withdraw.
