PER CURIAM.

In this action pursuant to 42 U.S.C. § 1983, Harold Glenn, a former City of Wynne, Arkansas police officer, appeals the district court's<sup>1</sup> adverse grant of summary judgment on his claims against the City and City officials. After reviewing the record de novo and considering Glenn's arguments on appeal, we find no basis for reversing the district court's summary judgment decision. We also conclude that we lack jurisdiction to review the court's order dismissing Glenn's claims against Arkansas Special Agent Dale Arnold. See Fed. R. App. P. 3(c)(1)(B); Berdella v. Delo, 972 F.2d 204, 207-08 (8th Cir. 1992) (appeal of one order does not inherently imply desire to appeal another). Accordingly, we affirm the judgment. See 8th Cir. R. 47B.
