Appeal from the United States
District Court for the
Eastern District of Missouri.

[UNPUBLISHED]

Submitted: March 9, 2011
Filed: March 14, 2011

Before WOLLMAN, BOWMAN, and SMITH, Circuit Judges.

PER CURIAM.

Paris Kennell appeals from the order of the District Court¹ dismissing her employment-discrimination action against her former employer, ABBCO Service Corporation. Upon careful de novo review, see Blankenship v. USA Truck, Inc., 601 F.3d 852, 853 (8th Cir. 2010), we agree with the District Court that Kennell failed to state a claim, see Norman v. Union Pac. R.R., 606 F.3d 455, 461 (8th Cir. 2010) (setting forth the elements of a prima facie case of race discrimination based upon disparate treatment). Accordingly, the judgment is affirmed.

¹The Honorable Henry E. Autry, United States District Judge for the Eastern District of Missouri.
