Appeal from the United States
District Court for the
Western District of Missouri.

[UNPUBLISHED]

Submitted: March 30, 2011

Filed: April 13, 2011

Before LOKEN, MURPHY, and COLLOTON, Circuit Judges.

PER CURIAM.

In this direct criminal appeal, Stephen Beebe challenges the 12-month prison sentence the district court¹ imposed after revoking his supervised release. Upon careful review, we conclude that the district court did not impose an unreasonable term of imprisonment. See United States v. Tyson, 413 F.3d 824, 825 (8th Cir. 2005) (per curiam) (standard of review). Accordingly, we affirm the judgment of the district court, and we grant counsel's motion to withdraw.

¹The Honorable Gary A. Fenner, United States District Judge for the Western District of Missouri.
