<sup>1</sup>The Honorable Charles R. Wolle, United States District Judge for the Southern District of Iowa.

Mr. Burche's arguments for reversal, we agree with the district court's reasons for concluding that subject matter jurisdiction was lacking. See Riley v. United States, 486 F.3d 1030, 1031 (8th Cir. 2007) (de novo review). The district court also did not err in denying the various motions that Mr. Burche filed prior to entry of judgment. Accordingly, the judgment is affirmed. See 8th Cir. R. 47B. We also deny as moot Mr. Burche's pending motions in this court.
