

United States Court of Appeals
For the Eighth Circuit

No. 14-1971

Isabel Torres

Plaintiff - Appellant

v.

Carolyn W. Colvin, Acting Commissioner of Social Security

Defendant - Appellee

Appeal from United States District Court
for the Western District of Arkansas - Ft. Smith

Submitted: December 26, 2014

Filed: December 30, 2014

[Unpublished]

Before GRUENDER, BENTON, and KELLY, Circuit Judges.

PER CURIAM.

Isabel Torres appeals the district court's¹ order affirming the denial of disability insurance benefits and supplemental security income. For reversal, Torres argues that the Administrative Law Judge (ALJ) (1) failed to develop the record regarding her residual functional capacity, and (2) erred in making his credibility findings. Following careful review of the parties' submissions and the record before us, we conclude that the ALJ's determination is supported by substantial evidence on the record as a whole, and that Torres's arguments do not support reversal. Accordingly, we affirm the district court's judgment. *See* 8th Cir. R. 47B.
