withdraw and has filed a brief questioning the reasonableness of Herring's revocation sentence.

Our review of the record satisfies us that the district court did not abuse its discretion in sentencing Herring as it did. See United States v. Johnson, 827 F.3d 740, 744 (8th Cir. 2016) (appellate court reviews district court's revocation sentence under abuse-of-discretion standard).

The judgment is affirmed, and counsel's motion for leave to withdraw is granted.
