Before LOKEN, COLLOTON, and STRAS, Circuit Judges.

PER CURIAM.

Michael Smith appeals the dismissal of his second amended complaint, which alleged state-law claims for nuisance and negligence and a federal claim under the Comprehensive Environmental Response, Compensation, and Liability Act. Having

carefully reviewed the record and the parties' arguments on appeal, we conclude that the district court¹ did not err in dismissing Smith's second amended complaint. *See* Fed. R. Civ. P. 8(a), 10(b), 12(b)(6).

We affirm the judgment of the district court. *See* 8th Cir. R. 47B.

¹The Honorable Catherine D. Perry, United States District Judge for the Eastern District of Missouri.
