

United States Court of Appeals
For the Eighth Circuit

No. 18-1107

Latanya D. Blevins

Plaintiff - Appellant

v.

AT&T Services, Inc.

Defendant - Appellee

Appeal from United States District Court
for the Eastern District of Missouri - St. Louis

Submitted: November 7, 2018

Filed: December 6, 2018

[Unpublished]

Before COLLOTON, BOWMAN, and KELLY, Circuit Judges.

PER CURIAM.

In this employment discrimination action brought under the Americans with Disabilities Act (ADA), Latanya D. Blevins appeals from the order of the District

Court¹ granting summary judgment to AT&T Services, Inc. After de novo review, we conclude that the undisputed facts show that Blevins was not qualified to perform the essential functions of her job, with or without reasonable accommodation, and thus was not a qualified individual under the ADA. See Peterson v. Kopp, 754 F.3d 594, 598 (8th Cir. 2014) (standard of review); Tusing v. Des Moines Indep. Cmty. Sch. Dist., 639 F.3d 507, 518 (8th Cir. 2011) (listing the elements of a prima facie case under the ADA). We affirm the judgment.

¹The Honorable Henry E. Autrey, United States District Judge for the Eastern District of Missouri.
