District of Missouri.

conclude the district court did not err in dismissing March's complaint. See Sears v. United States Trs. (In re AFY), 734 F.3d 810, 816 (8th Cir. 2013) (de novo review of dismissal for mootness). We further conclude the district court did not abuse its discretion in denying March's motion for reconsideration. See Julianello v. K-V Pharm. Co., 791 F.3d 915, 922 (8th Cir. 2015) (denial of reconsideration reviewed for abuse of discretion). Accordingly, we affirm. See 8th Cir. R. 47B.
