Appeal from the United States
District Court for the Western
District of Missouri.
[UNPUBLISHED]

Submitted: December 12, 1995

Filed: January 8, 1996

Before FAGG, HEANEY, and WOLLMAN, Circuit Judges.

PER CURIAM.

Sandra Dickens appeals the judgment entered by the district court affirming the Secretary's decision denying Dickens disability and supplemental security income benefits. After careful review of the record and the parties' briefs, we conclude the Secretary's decision is supported by substantial evidence on the record as a whole. Because an opinion by this court would have no precedential value, we affirm the district court without further discussion. See 8th Cir. R. 47B.

Attest:

CLERK, U.S. COURT OF APPEALS, EIGHTH CIRCUIT.
