PER CURIAM.

Marsha Rand appeals the district court's<sup>1</sup> dismissal of her action for lack of subject matter jurisdiction. Because her notice of appeal was not filed within the thirty-day time period provided by Federal Rule of Appellate Procedure 4(a)(1), we lack jurisdiction. See United States v. Vanorum, 912 F.2d 1023, 1025 (8th Cir. 1990). Accordingly, we dismiss. See 8th Cir. R. 47A(a).
