Submitted: June 11, 1996

Filed: October 17, 1996

Before BOWMAN, LAY, and LOKEN, Circuit Judges.

PER CURIAM.

David S. Cohen, trustee for the bankruptcy estate of Norman E. Dyer, appeals from the District Court's grant of summary judgment to defendant Michael Snow. The court found that plaintiff failed to provide sufficient evidence to establish the "but for" causation requirement of a legal malpractice claim under Minnesota law. We have read all of the materials submitted by the parties and have considered their arguments. We conclude that the judgment of the District Court was correct. Accordingly, we affirm. See 8th Cir. R. 47B.

A true copy.

Attest:

CLERK, U. S. COURT OF APPEALS, EIGHTH CIRCUIT.
