Before FAGG, FLOYD R. GIBSON, and LOKEN, Circuit Judges.

PER CURIAM.

Danilo and Camilo A. Cajina appeal their drug-related convictions and sentences. They contend the evidence is insufficient to support the jury's verdicts. They also contend the

district court miscalculated the quantity of drugs attributable to them and thus failed properly to determine appropriate base offense levels for their sentences. Discussion of the issues presented by these appeals will serve no useful purpose. We have carefully considered the Cajinas' contentions and find them to be without merit. We affirm their convictions and sentences. See 8th Cir. R. 47B.
