Appeal from the United States
District Court for the
Eastern District of Missouri.

[UNPUBLISHED]

Submitted: February 21, 1997

Filed: February 27, 1997

Before McMILLIAN, FAGG, and LOKEN, Circuit Judges.

PER CURIAM.

Cedric Jackson appeals from the district court's¹ order dismissing his 42 U.S.C. § 1983 action with prejudice. The docket sheet entries indicate that the district court held a hearing after which it dismissed Jackson's complaint. Jackson argues on appeal that he was treated unfairly at this hearing; however, he has neither provided nor requested a transcript. We thus cannot conduct meaningful review of the issues he raises on appeal. See Fed. R. App. P. 10(b); Schmid v. United Bhd. of Carpenters & Joiners of Am., 827 F.2d 384, 386 (8th Cir. 1987) (per curiam) (appellant must provide all parts of proceedings below necessary for reviewing any claimed error; appellate court unable to review

certain issues raised by appellant in absence of transcript), cert. denied, 484 U.S. 1071 (1988).

Based upon the record before us, we affirm. See 8th Cir. R. 47B. Defendants' motion to dismiss the appeal is denied.
