Appeal from the United States
District Court for the
Eastern District of Missouri.

[UNPUBLISHED]

Submitted: April 3, 1997

Filed: May 8, 1997

Before HANSEN, MORRIS SHEPPARD ARNOLD, and MURPHY, Circuit Judges.

PER CURIAM.

Bernard Cross, a Missouri inmate, appeals from the district court's¹ order dismissing his pro se complaint under 42 U.S.C. § 1983 against Missouri Eastern Correctional Center (MECC) optometrist Edward Lauer, MECC Health Care Administrator Keith Boyd, MECC Director of Nursing Mary Moore, Lauer's assistant Carla Schuler, Missouri Department of Corrections Medical Director

¹The Honorable Charles A. Shaw, United States District Judge for the Eastern District of Missouri.

William Wade, and Associate Medical Director Robert Schoenen. Cross alleged that these defendants violated the Eighth Amendment by acting with deliberate indifference to his serious medical need for eyeglasses by intentionally refusing to replace his broken eyeglasses until he paid for them, despite knowing of his need for replacement eyeglasses. Having reviewed the record and the parties' briefs, we conclude that the judgment of the district court was correct and that an extended discussion is not warranted. Accordingly, we affirm. See 8th Cir. R. 47B.
