Appeal from the United States
District Court for the
Western District of Missouri.

[UNPUBLISHED]

Submitted: August 4, 1997
Filed: August 18, 1997

Before FAGG, BOWMAN, and MURPHY, Circuit Judges.

PER CURIAM.

Roy G. Watson appeals the judgment of the District Court¹ in favor of defendants after a bench trial. Having reviewed the record and the parties' briefs, we conclude the judgment of the District Court is correct. None of the court's factual findings is reversible under the clear error standard, which governs our review of facts found by the trial court. Watson's argument concerning the effect of his FECA claim lacks merit. Accordingly, we affirm. See 8th Cir. R. 47B.

¹The Honorable Joseph E. Stevens, Jr., United States District Judge for the Western District of Missouri.
