Before FAGG, WOLLMAN, and MORRIS SHEPPARD ARNOLD, Circuit Judges.

PER CURIAM.

Gene Abboud, doing business as Broadway Enterprises, and Modern Electronics, Inc. appeal the district court's orders denying their declaratory judgment actions against Time Warner Entertainment Company because "this action is not ripe and presents no actual controversy." Their appeals have been submitted on the briefs. Having considered the record and the parties' arguments, we conclude the district court's rulings are clearly correct. We thus affirm the district court. See 8th Cir. R. 47B.
