Appeal from the United States
District Court for the District
of Minnesota.

[UNPUBLISHED]

Submitted: September 30, 1997
Filed: October 6, 1997

Before FAGG, BOWMAN, and MURPHY, Circuit Judges.

PER CURIAM.

Bennie Davis appeals the district court's dismissal of Davis's 42 U.S.C. § 1983 action for failure to state a claim on which relief can be granted. After de novo review, we conclude the district court's decision was correct. We thus affirm the district court without further discussion. See 8th Cir. R.47B.
