Before FAGG, BEAM, and MORRIS SHEPPARD ARNOLD, Circuit Judges.

PER CURIAM.

Mustafa Said, a Missouri prison inmate, appeals the district court's grant of summary judgment in favor of the defendants in Said's 42 U.S.C. § 1983 action. The district court adopted the magistrate judge's report holding that the record did not support Said's claims. On review, we are satisfied the magistrate judge correctly applied the well-established summary judgment standard, and we find no error of law in the magistrate judge's analysis. Accordingly, we affirm on the basis of the magistrate judge's report. See 8th Cir. R. 47B.

A true copy.

Attest:

CLERK, U.S. COURT OF APPEALS, EIGHTH CIRCUIT.
