Before FAGG, JOHN R. GIBSON, and HANSEN, Circuit Judges.

PER CURIAM.

On appeal from the guidelines sentence imposed by the district court, Edward M. Rhone contends the district court improperly increased Rhone's offense level for his managerial role in criminal activity that involved five or more participants. After a careful review of the record, we reject Rhone's contention and conclude an opinion by this court would have no precedential value. We thus affirm Rhone's sentence without further discussion. See 8th Cir. R. 47B.
