Before BEAM, LOKEN, and MURPHY, Circuit Judges.

PER CURIAM.

Victor and Sharon Orłowski filed this diversity action against the defendants after disputes arose related to their business arrangements. The district court<sup>1</sup> granted summary judgment in favor of all the defendants, and the Orłowskis sought to amend their complaint against the Morrisons. The district court withdrew permission to file an amended complaint after a chambers conference revealed that the Morrisons had not agreed to the amendment, contrary to the representations of the plaintiffs. The Orłowskis now appeal from the judgments in favor of the defendants and the denial of leave to amend their complaint. After a careful review of the record, we find no error and affirm. See 8th Cir. R. 47B.
