Before RICHARD S. ARNOLD and FAGG, Circuit Judges, and BOGUE,* District Judge.

PER CURIAM.

*The Honorable Andrew W. Bogue, United States District Judge for the District of South Dakota, sitting by designation.

Stephen T. Mitchell appeals the district court's order declining to review an order of the bankruptcy court holding Mitchell in civil contempt because Mitchell failed to file timely objections to the challenged order. Although Mitchell's objections to the order were not timely filed, nevertheless, we have reviewed the underlying record and conclude the order was properly entered because Mitchell failed to produce information he had been ordered to produce that was in his possession or reasonably obtainable. For this reason we affirm the district court. See 8th Cir. R. 47B.
