Appeal from the United States District Court for the Eastern District of Missouri.

[UNPUBLISHED]

Submitted: June 22, 1998

Filed: June 25, 1998

Before FAGG, BEAM, and HANSEN, Circuit Judges.

PER CURIAM.

Mark Kevin Butts, a Missouri inmate, appeals the district court's adverse grants of summary judgment in Butts's 42 U.S.C. § 1983 lawsuit. The district court characterized Butts's claim of substandard medical care as nothing more than an

unactionable difference of opinion with the doctors' medical judgments. We agree. After careful review of the record and the partes' briefs, we conclude the district court's judgment was correct. Accordingly, we affirm. See 8th Cir. R. 47B.

A true copy.

Attest:

CLERK, U.S. COURT OF APPEALS, EIGHTH CIRCUIT.
