[UNPUBLISHED]

Submitted: June 9, 1998

Filed: June 15, 1998

Before FAGG, BRIGHT, and BEAM, Circuit Judges.

PER CURIAM.

Jose Isabel Mansanares appeals his conviction and sentence for possession of cocaine with intent to distribute. Mansanares challenges the seizure of drug-related evidence that was discovered when his apartment was searched under an anticipatory warrant. Mansanares also contends the district court improperly calculated the drug quantity attributable to Mansanares for sentencing purposes. After a careful review of the record and the parties' briefs, we reject Mansanares's arguments and conclude that

an opinion by this court will have no precedential value. We thus affirm Mansanares's conviction and sentence without further discussion. See 8th Cir. R. 47B.
