*

Appellees.

*

Appeal from the United States
District Court for the
Eastern District of Missouri.

[UNPUBLISHED]

Submitted: June 5, 1998

Filed: July 13, 1998

Before FAGG, BEAM, and HANSEN, Circuit Judges.

PER CURIAM.

Rodney Van Huskey appeals the district court's¹ dismissal with prejudice of his 42 U.S.C. § 1983 complaint for, inter alia, failing to comply with the court's show-cause order and failing to prosecute. After careful review of the record and the parties' briefs, we conclude the dismissal of Huskey's complaint was not an abuse of discretion. See Rodgers v. Curators of Univ. of Mo., 135 F.3d 1216, 1219 (8th Cir. 1998) (standard of review). Accordingly, we affirm. See 8th Cir. R. 47B.

A true copy.

Attest:

CLERK, U.S. COURT OF APPEALS, EIGHTH CIRCUIT.

¹The Honorable Donald J. Stohr, United States District Judge for the Eastern District of Missouri.
