PER CURIAM.

Charles R. Buchek appeals the district court's adverse grant of summary judgment in Buchek's employment discrimination action and the district court's award of costs to Monsanto Company. After careful review of the record and the parties' briefs, we conclude the district court correctly granted judgment in favor of Monsanto Company. We also conclude the district court's decision to award costs was not an abuse of discretion. See Bathke v. Casey's Gen. Stores, Inc., 64 F.3d 340, 347 (8th Cir. 1995) (standard of review). We deny the parties' motions on appeal. We thus affirm the district court. See 8th Cir. R. 47B.
