Before WOLLMAN, HANSEN, and MURPHY, Circuit Judges.

PER CURIAM.

W. Duane Isaac appeals from the district court's¹ orders dismissing three prison officials and granting summary judgment as to the remaining prison officials in Isaac's conditions-of-confinement suit. After a careful review of the record and the parties' submissions on appeal, we affirm the judgment of the district court. We also deny appellees' request to strike portions of appellant's brief addendum, see Johnson v. Missouri, 142 F.3d 1087, 1090 n.5 (8th Cir. 1998) (considering material not submitted to the district court, and denying motion to strike material because information did not aid appellants' arguments), and appellant's pending motion filed with this court.

¹The Honorable Scott O. Wright, United States District Judge for the Western District of Missouri, adopting the report and recommendation of the Honorable William A. Knox, United States Magistrate Judge for the Western District of Missouri.

Accordingly, the judgment is affirmed. See 8th R. 47B.

A true copy.

Attest:

CLERK, U.S. COURT OF APPEALS, EIGHTH CIRCUIT.
