Before FAGG, BEAM, and LOKEN, Circuit Judges.

PER CURIAM.

Richard P. Hayden appeals the district court's adverse grant of summary judgment in Hayden's civil rights lawsuit. After careful review of the record and the parties' briefs, we conclude the court did not abuse its discretion in denying Hayden appointed counsel. We also conclude the district court correctly granted summary judgment relief and further discussion is not warranted. We affirm. See 8th Cir. R. 47B.
