Before McMILLIAN, RICHARD S. ARNOLD, and MORRIS SHEPPARD
ARNOLD, Circuit Judges.

PER CURIAM.

Jo Karen McGuire appeals from the district court's¹ dismissal of certain claims and the adverse grant of summary judgment as to others in her action alleging, inter alia, disability discrimination in her termination from the Arkansas State University nursing program. Upon a thorough review of the record and the parties' submissions on appeal, we conclude that judgment for the defendants was proper. We also conclude the district court did not err in denying Ms. McGuire's request for appointment of counsel, and we deny her request for counsel on appeal. Accordingly we affirm. See 8th Cir. R. 47B.

Attest:

CLERK, U.S. COURT OF APPEALS, EIGHTH CIRCUIT.

¹The Honorable Stephen M. Reasoner, United States District Court Judge for the Eastern District of Arkansas. .
