\*The Honorable Robert T. Dawson, United States District

opinion would have no precedential value in this fact-intensive case. We see no willful misconduct on the part of Salmon's present lawyer, and we understand the order for sanctions to apply to the client only. We further conclude the district court's fact-findings are not clearly erroneous and neither error of law nor abuse of discretion appears. We thus affirm the rulings of the district court. See 8th Cir. R. 47B.

A true copy.

Attest:

CLERK, U.S. COURT OF APPEALS, EIGHTH CIRCUIT.
