Submitted: December 7, 1998
Filed: December 10, 1998

Before FAGG, BEAM, and LOKEN, Circuit Judges.

PER CURIAM.

Brian A. Woods's appeal has been submitted on the briefs. Having considered the record and the parties' arguments, we affirm Woods's drug-related conviction. The court will not consider Woods's ineffective assistance of counsel claims on direct appeal. These claims are best presented on motion under 28 U.S.C. § 2255. See United States v. Beers, 76 F.3d 204, 206 (8th Cir. 1996) (per curiam). We affirm the district court without further discussion. See 8th Cir. R. 47B.
