v.	*	District of Missouri.
	*	
Robert Earl Garrett,	*	[UNPUBLISHED]
	*	
Appellant.	*	

Submitted: December 7, 1998
Filed: December 10, 1998

Before FAGG, BEAM, and LOKEN, Circuit Judges.

PER CURIAM.

Robert Earl Garrett appeals the sentence entered on Garrett's guilty plea to a drug conspiracy charge. Garrett contends the district court improperly rejected Garrett's request to apply the safety-valve provision because he did not possess a firearm in connection with the offense of conviction. Contrary to Garrett's view, we conclude Garrett failed to carry his burden to show that the above-mentioned condition of the safety-valve provision had been satisfied. Having reviewed the record and finding no error by the district court, we affirm Garrett's sentence without further discussion. See 8th Cir. R. 47B.
