On Appeal from the United States
District Court for the
Western District of Arkansas.

[UNPUBLISHED]

Submitted: January 21, 1999

Filed: January 28, 1999

Before RICHARD S. ARNOLD, WOLLMAN, and BEAM, Circuit Judges.

PER CURIAM.

William D. Helix appeals from the district court's¹ adverse grant of summary judgment in his civil suit challenging the constitutionality of a county's solid waste collection system. After a careful review of the record and the parties' briefs on appeal, we conclude the district court ruled correctly and an extended discussion is unnecessary. Accordingly, we affirm the judgment of the district court. See 8th Cir. R. 47B.

A true copy.

Attest:

CLERK, U.S. COURT OF APPEALS, EIGHTH CIRCUIT.

¹The Honorable Harry F. Barnes, United States District Judge for the Western District of Arkansas.
