Before FAGG and HANSEN, Circuit Judges, and ROSENBAUM,* District Judge.

PER CURIAM.

Marilyn J. Eickenhorst 's appeal has been submitted on the briefs. Having reviewed the record in the context of Eickenhorst's contentions, we conclude no error of law appears, the district court's rulings are clearly correct, and an extended discussion is unnecessary. We thus affirm for the reasons stated in the district court's rulings. See 8th Cir. R. 47B.

*The Honorable James M. Rosenbaum, United States District Judge for the District of Minnesota, sitting by designation.
