

Milton P. Heyde appeals from the District Court's<sup>1</sup> grant of summary judgment in his 42 U.S.C. § 1983 action, which arises out of a deer-poaching investigation. Having carefully reviewed the record and the parties' briefs, we conclude that the District Court properly granted summary judgment to defendants and did not abuse its discretion in granting the protective order.

Accordingly, we affirm the judgment of the District Court. See 8th Cir. R. 47B.
